

Environmentally friendly choices for your dish room

Dishmachine Solutions

Manual Wash Solutions

Pinnacle Solid Detergent

Heavy-duty non-caustic dishmachine detergent is green authorized. Works well in hard water. Auto dispensed in closed bowl dispensers. EPA-DFE approved.

4 x 8 lb. capsules #20881

Lazer Solid Pot & Pan

Environmentally preferred solid hand dish wash detergent, electronically dispensed. Produces rich, long lasting suds. Less hazardous to the environment without sacrificing performance.

2 x 5 lb. capsules #21173

Synerge Detergent

Green friendly liquid detergent works well in both high and low temp dishmachines. Auto dispensed by electronic dispenser.

4 gallons #20882

Green Suds Pot & Pan

A rich mixture of emulsifiers, natural degreasers and wetting agents designed to remove kitchen soils from dishes, glasses, pots, pans and utensils. EPA-DFE approved.

2 gallons #21169

5 gallons #21170

Diamond Drying Agent

Be better to the environment without sacrificing performance. Excellent sheeting action, auto-dispensed in both high and low temp dishmachines. EPA-DFE approved.

4 gallons #21167

5 gallons #21168

Snap Pink Pot & Pan

Economical pink lotion pot and pan detergent. Green friendly to the environment. Dilute 1 oz. to 1 gallon of water for long lasting suds. Can be used as an all-purpose cleaner.

4 gallons #20878

5 gallons #20879

Rapid Rinse Drying Agent

Concentrated drying agent has a neutral ph for optimal hard water performance. Electronically dispensed, this earth-friendly product will produce spot-free glasses every time.

4 gallons #20880

Enviro-Soak Solid Soak

Environmentally preferred solid flatware presoak and detarnisher with enzyme action. Works in all water conditions. Non-caustic and non-phosphate. EPA-DFE approved.

2 x 8 lb. capsules #21174

Scale Safe Delimer

Environmentally preferred lime scale remover. Designed to rid the dishmachine of scale and lime formations due to hard water precipitates. EPA-DFE approved.

4 gallons #21171

Solution Depot System

Spray & Wipe Products

Precision dilution chemical concentrates and dilution center saves money while also reducing waste & saving the environment. Ask your sales representative for a no-obligation end-user cost calculation to see just how much money you can save by using the Solution Depot chemical dispensing system.

Solution Depot High & Low Flow Dispenser

Accommodates both high and low flow products filling everything from mop buckets to spray bottles with optimal dilutions every time.

<u>AB#</u>	<u>Description</u>	<u>Unit</u>
26296	Hi / Lo Dispenser	Each

Convenience of quart bottles with trigger sprayers included. The power and results you expect without the harsh ingredients. All Elements products are biodegradable, non-toxic, non-corrosive, contain no phosphates, no ozone depleting compounds, no known carcinogens and no chlorine bleach.

Super Duty Degreaser

Dissolves oil and protein based soils better than conventional butyl-based products. Recommended for use on all food processing equipment and food service areas. Also for use on walls, desk, tables and other hard surfaces.

Case 3 x 32 oz. Trigger Spray Bottles #21124

Peroxide Powered Cleaner Degreaser

Oxidizes soil and stains, destroys odors and provides color safe bleaching. Can be used to clean most surfaces such as walls, tile & grout, washroom fixtures, tubs, showers, toilet bowls and urinals. No rinsing required. Citrus fragrance.

Case 3 x 32 oz. Trigger Spray Bottles #21120

Non-Ammoniated Glass Cleaner

Non-streaking, quick drying product that cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces. Best results can be obtained by using a micro fiber cloth for drying and polishing

Case 3 x 32 oz. Trigger Spray Bottles #21122

Organic Acid Restroom Cleaner

Cleans away soap scum, hard water deposits, rust stains, body oils, fats and dirt. Can be used to clean most surfaces such as plexiglas, walls, tubs, showers, toilet bowls and urinals. It is especially effective on removing difficult stains from ceramic tile floors and grouting. Rain clean scent.

Case 3 x 32 oz. Trigger Spray Bottles #21123

Elements Concentrated Cleaners for Solution Depot

Green Seal Certified. Specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. 4 -1/2 gallon containers per case.

EchoMop® Looped End Wet Mop

by UNI SAN

- The first mop head made from recycled PET plastic bottles, 35% post-consumer recycled material. Longer-lasting, lower-linting mop head offers 20% better performance than competitive all-synthetic wet mop yarns. Absorbs more than 4.4 times its weight in water and releases almost 30% upon wringing. Washable and fast drying.

Organic Acid Bowl Cleaner

by MISCO

- Patented organic acid is more effective than phosphoric acid when removing limestone, hard water deposits, rust, soap scum and urinary salts from hard surfaces. Use to clean and deodorize washbasins, bathtubs, shower stalls, drinking fountains, toilet bowls, urinals and sinks. Clinging formula controls run-off for effective usage. Contains no phosphates, no VOCs. Non-fuming & non-corrosive to skin and mild steel.

Innovative Hygiene Solutions

T-Cell Air Freshener System

by RUBBERMAID / TECHNICAL CONCEPTS

- Highly effective, continuous, odor control without batteries to replace. Combo pack includes 1 dispenser and 1 cucumber melon refill cartridge. T-Cell utilizes a patented fluid delivery system, delivering a precise dose of pure designer fragrance, odor neutralizer, and air freshener that remains constant for 60-90 days. Contains Microtrans, a true odor neutralizer. Effective in areas up to 6,000 cubic feet (approximately 800 square feet). It is the perfect environmental solution because it does not contain propellants or added VOCs and the components are recyclable.
